

REMARKS

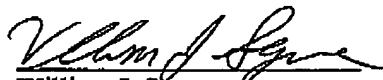

Reconsideration and removal of the grounds for rejection are respectfully requested. Claims 1-19 were in the application, claims 1-19 have been cancelled and new claims 20-37 have been added.

Claims 1-19 were rejected as being indefinite under the second paragraph of 35 USC 112. Each claim was reviewed and modifications incorporated into new claims 20-37, which substantially conform to original claims 1, and 3-19, so as to place the claims in proper U.S. form, and to remove narrative and redundant language. This amendment renders moot the rejection.

Claims 2 and 7-19 were considered allowable over the art. The limitations of claim 2 have been incorporated with the limitations of claim 1 in new claim 20, thus placing claim 2 in independent form. Consequently claim 20, and claims 21-37 which depend therefrom are believed to be in condition for allowance.

Based on the above amendment and remarks, favorable consideration and allowance of the application are respectfully requested. However should the examiner believe that direct contact with the applicant's attorney would advance the prosecution of the application, the examiner is invited to telephone the undersigned at the number given below.

Respectfully submitted,

William J. Sapone
